# Stalin seeks action against those who 'pressured' officer to settle harassment complaint against TVK MLA

KALLAKURICHI – 28 Nov, 2026 DMK president M.K. Stalin on Friday (November 27, 2026) said Kallakurichi TVK MLA C. Arul Vignesh, who was accused of harassment by an officer, had been arrested following the intervention of the Madras High Court and the National Commission for Women, leaving the authorities with no other option.

He also said those who failed to act for 119 days and "pressured" the woman officer to settle the matter must also face action.

In a post on X, Stalin said several lies were told to cover up the misconduct of the Kallakurichi TVK MLA and protect him. "From Ministers to alliance party leaders, everyone rallied to deny the complaint and issue a conduct certificate to Arul Vignesh. They carried out a vile campaign on social media to mentally break the official," he said.

"Despite facing all that pressure, the courageous woman stood firm and lodged a complaint. Following the intervention of institutions such as the High Court and the National Commission for Women, the TVK MLA has now been arrested, with no other option left,"
