‘Train on Wheels’: Vijay Sethupathi and Mysskin Launch City-Wide Promo Campaign Ahead of December 4 Release

CHENNAI – 29 Nov, 2026 Ahead of its December 4 theatrical release, the team of Train—directed by Mysskin and starring Vijay Sethupathi—launched a city-wide promotional campaign titled ‘Train on Wheels’ today. Conceptualised by producer Kalaippuli S. Thanu under V Creations and inspired by his famous Kabali aeroplane campaign, a specially designed railway compartment vehicle carrying the cast and crew was ceremonially flagged off to travel across the city.

The launch event was attended by Kalaippuli S. Thanu, Mysskin, Vijay Sethupathi, cast members Ira Dayanand, Preethykaran, Janani, Rohan, and Vincent Asokan, alongside special guests Sananth and Rishikanth.

Addressing the media, director Mysskin thanked his brother, the cast—including Ira, Preethi, Janani, and the transgender artistes—and spoke about the challenges of filming inside a confined train compartment. Praising Vijay Sethupathi’s dedication, Mysskin stated that the film’s action sequences surpass iconic train fights from classics like Murattu Kaalai and Senthoora Poove. Despite facing delays, he expressed confidence that the gripping thriller is arriving at the right time and will bring massive success to producer Thanu.

Vijay Sethupathi described Train as a non-stop, gripping cinematic ride unfolding over a five-hour timeline packed with revenge, love, anger, and profound humanity. He praised Mysskin’s storytelling and music composition, cinematographer Fowzia’s lighting within the tight compartment space, and the efforts of co-stars including Ira and Shruti Haasan, urging fans to experience the journey in theatres.

Producer Kalaippuli S. Thanu noted that the release delay was due to extensive CG work across eight railway compartments, praising the efforts of Mysskin, art director Mohana Mahendran, and PGS Studios MD Govindasamy. Highlighting Vijay Sethupathi’s emotional performance and the film's theatrical climax, the team also announced a special prize for audience members who correctly guess the reasons behind the interval twists.

Special guests Sananth and Rishikanth shared warm anecdotes about Mysskin and Vijay Sethupathi, wishing the fast-paced commercial entertainer a grand reception upon its release on December 4.

The film features an ensemble cast led by Vijay Sethupathi, alongside Nasser, Shruti Haasan, Yugi Sethu, Narain, KS Ravikumar, Sampath Raj, Kalaiyarasan, Ira Dayanand, Ajay Ratnam, Vincent Ashokan, Babloo Prithiveeraj, Thrigun Arun, Ganesh Venkatraman, Preethy Karan, Singampuli, Suresh Chandra Menon, Shaji, Selvaah Chandrasekhar, GR Aathithyaa, Rohan, Kaniha, Janany, Diya Sharma, and Komagan.

Produced by Kalaippuli S Thanu under the banner of V Creations, the project is written, directed, and composed by Mysskin. The technical crew includes Fowzia Fathima (ISC, IWCC) handling cinematography, Sri Watson and Shaban on editing, and Mohana Mahendran as the art director. Sound is managed by audiographer Tapas Nayak and sound designer Jeswin Felix, while R Udayakumar serves as the production controller. Costume design is by Shaima Aslam, publicity design by Kannadasan DKD, and still photography by Harishankar Janarthanan. Public relations are handled by Riaz K Ahmed, Paras Riyaz, and Sathish AIM, with the music label acquired by Saregama India Limited, an RPSG Group Company.
