Union Health Ministry's Health Pavilion Records Around 1.5 Lakh Footfall at IITF 2026, Promotes 'युवा भारत, स्वस्थ भारत' through Preventive Healthcare and Healthy Living

CHENNAI – 29 Nov, 2026 Union Health Ministry's Health Pavilion Records Around 1.5 Lakh Footfall at IITF 2026, Promotes 'युवा भारत, स्वस्थ भारत' through Preventive Healthcare and Healthy Living.

The Ministry of Health and Family Welfare's Health Pavilion recorded a footfall of around 1.5 lakh during the India International Trade Fair (IITF) at Bharat Mandapam, New Delhi. Children, young people and families visited the pavilion to access free health services, interact with healthcare professionals and learn about Government health programmes. Themed 'युवा भारत, स्वस्थ भारत', the pavilion promoted preventive healthcare and healthy everyday habits through interactive exhibits, live demonstrations and on-site services.

The pavilion was inaugurated by Dr. M. Srinivas, Member, NITI Aayog, in the presence of Punya Salila Srivastava, Union Health Secretary. The Health Pavilion brought together 39 stalls representing 24 National Health Programmes, Programme Divisions and participating organisations, providing visitors an opportunity to learn about Government health initiatives and access a wide range of public health services.
