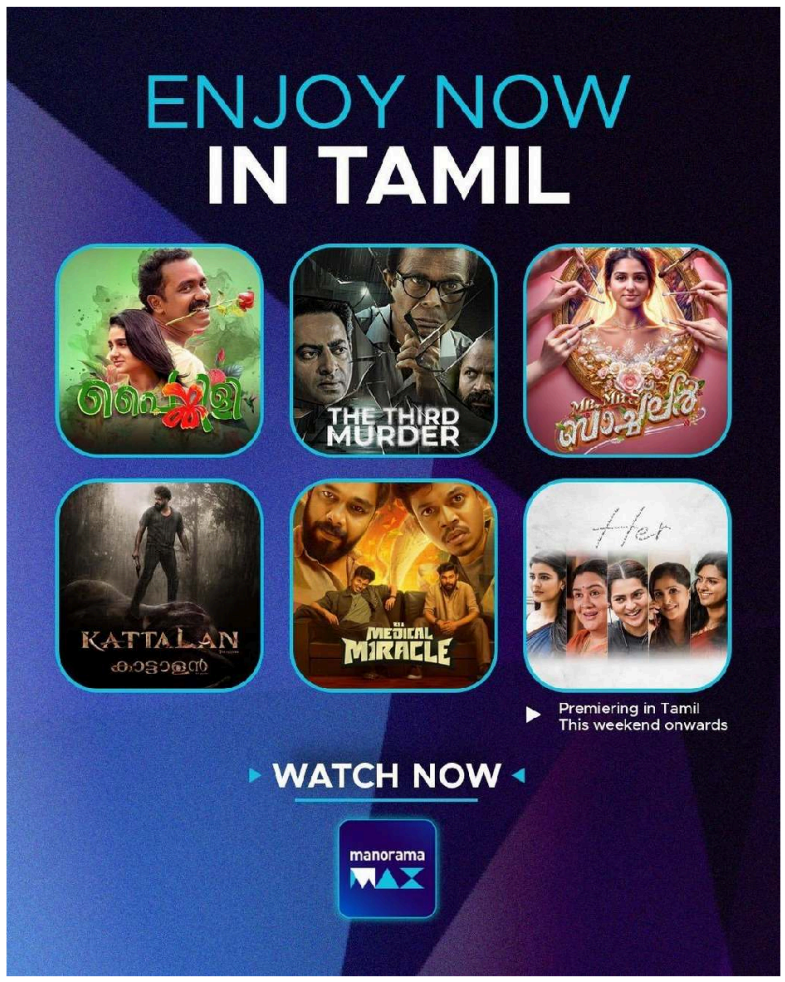
ManoramaMAX expands its Tamil content line-up with a diverse selection of Malayalam Hits 'Her' to premiere in Tamil this weekend, adding to the platform's diverse collection

CHENNAI – 29 Nov, 2026 across genres ManoramaMAX, the leading regional OTT platform from Kerala, is strengthening its presence among Tamil audiences with an expanding collection of Malayalam films available to stream in Tamil. With a diverse selection of titles spanning comedy, drama, action and thrillers, the platform continues to broaden its multilingual entertainment offering and bring engaging Malayalam stories to a wider audience. The current Tamil-language catalogue on ManoramaMAX features Pallotty, Painkili, The Third Murder, & Bachelor, Kattalan and It's a Medical Miracle. Further strengthening the line-up, Her will premiere in Tamil on the platform this weekend, adding another engaging title to its growing collection. Offering a mix of genres and storytelling styles, the catalogue brings together films featuring distinctive narratives and performances. From the humour and emotional appeal of Pallotty and Painkili to the gripping suspense of The Third Murder, the comedy of & Bachelor, the action of Kattalan and the unconventional comic thriller It's a Medical Miracle, audiences can explore a varied selection of Malayalam cinema in Tamil. The upcoming Tamil premiere of Her further adds to this offering. With over 500 films and more than 20,000 hours of content, ManoramaMAX offers an extensive entertainment library alongside popular programmes from Mazhavil Manorama and Manorama News. Through its growing multilingual catalogue, the platform continues to make quality entertainment



accessible to audiences across language preferences, while bringing the richness and diversity of Malayalam content to viewers beyond Kerala. With its expanding Tamil line-up and regular additions to its content library, ManoramaMAX continues to strengthen its offering for Tamil audiences, bringing together stories, genres and entertainment experiences on a single platform.
