CM VIJAY RETURNS WITH RS. 15,300 CR INVESTMENT UK VISIT DELIVERS MAJOR FUNDING

Chennai, 18 Sep 2026: Chief Minister C. Joseph Vijay returned to Chennai on Thursday after completing his six-day official visit to the United Kingdom, with the Tamil Nadu Government reporting investment commitments and proposals worth Rs. 15,300 crore and the potential to generate more than 10,000 direct and indirect employment opportunities.

Vijay was received at Chennai airport by Ministers and senior government officials following his return from the UK. The visit, which began on September 10, was undertaken as part of the State Government's campaign to attract global investments, strengthen Tamil Nadu's industrial ecosystem and expand its presence in advanced manufacturing, technology and other high-value sectors.

The investment package covers auto mobile components, design and engineering, electrical and power equipment, research and development, digital services and Global Capability Centres (GCCs). The Government has posi-

tioned the commitment as part of its wider effort to attract international companies and create high-value employment in the State.

The largest commitment came from Samvardhana Mother son International Ltd and its European and UK-based joint venture companies. The group signed a memorandum of understanding with Guidance Tamil Nadu involving an investment of approximately Rs. 11,000 crore. The proposed projects will cover integrated design, engineering, manufacturing, assembly and logistics facilities at strategic locations across Tamil Nadu. The investment is expected to create around 7,000 jobs.

Another significant proposal came from a leading European automobile component manufacturer, which submitted a letter of intent for an investment of Rs. 3,000 crore in Tamil Nadu. The proposal is expected to add further strength to the State's already established automobile and auto-component manufacturing base.

The visit also brought commitments in the fast-growing

GCC and digital technology segments. Ernst & Young signed an agreement involving an investment of around Rs. 1,000 crore for establishing a Global Capability Centre along the emerging GCC corridor on Mount Poonamallee Road in Chennai. The facility is expected to create more than 2,000 high-value jobs.

Sweden-based Sigma Technology Group, through its Indian arm, also signed an agreement to expand its GCC operations in Chennai and Tiruchirappalli. The expansion is expected to generate around 600 high-value jobs in areas including embedded systems, electrification and industrial digitalisation. The electrical equipment manufacturing sector is set to receive another boost through Wilson Power Solutions. The UK-based company signed an MoU for an investment of Rs. 300 crore to establish a manufacturing facility in Tiruvallur district, with the project expected to create about 400 jobs.

During the UK tour, Vijay also met representatives of several global companies and

investors and urged businesses to make greater use of the India-Economic and Trade Agreement to deepen trade, sourcing and investment links with Tamil Nadu. State officials and Guidance Tamil Nadu representatives also held discussions with companies from sectors including aerospace, defence, chemicals, logistics and retail.

The Chief Minister's itinerary also included a visit to the Silverstone motor racing circuit, where he flagged off the fifth round of the Michelin Le Mans Cup. Actor and racer Ajith Kumar participated in the event, bringing an additional sporting dimension to the official tour.

The Government has linked the overseas investment drive to Tamil Nadu's long-term economic ambition of becoming a \$1.5 trillion economy by 2036. The latest commitments are expected to support manufacturing expansion, technology-driven employment and industrial diversification as the State seeks to attract a larger share of global investment.

VICE-PRESIDENT C. P. RADHAKRISHNAN TO VISIT MAHARASHTRA ON SEPTEMBER 18

Chennai, 18 Sep 2026: Vice-President Shri C. P. Radhakrishnan will visit Mumbai, Lonavala and Pune in Maharashtra on September 18, 2026.

During his visit, he will pay darshan at the Platinum Jubilee celebrations of Gordhandas Seksaria College of Yoga & Cultural Synthesis, Kaivalyadhama.

In the afternoon, the Vice-President will

visit Lonavala to attend the Platinum Jubilee celebrations of Gordhandas Seksaria College of Yoga & Cultural Synthesis, Kaivalyadhama.

In the evening, Shri C. P. Radhakrishnan will attend the 38th edition of the Pune Festival at Shri Ganesh Kala Krida Rangmanch, Nehru Stadium, Pune.

TN GUV, CM VIJAY, LEADERS GREET MODI

Chennai, 18 Sep 2026: Tamil Nadu Governor Rajendra Vishwanath Arlekar, Chief Minister C. Joseph Vijay and several political leaders on Thursday extended birthday greetings to Prime Minister Narendra Modi, who turned 76.

Governor Arlekar conveyed his wishes to Modi, while Chief Minister Vijay, in a message posted on social media, wished the Prime Minister good health and a long life. Vijay said Modi was working with dedication towards building a strong India and conveyed his

greetings on the occasion. Tamil Nadu BJP president Nainar Former Chief Minister and DMK president M.K. Stalin also greeted Modi, wishing him good health, happiness and a long life. AIADMK general secretary Edappadi K. Palani swami extended his greetings, referring to Modi's leadership and public service and wishing him strength to continue serving the country. PMK leader Anbumani Ramadoss also conveyed his birthday wishes, expressing the hope that Modi would remain in public life for a long period and continue serving

the nation. Across the country, Union Ministers, chief ministers and BJP leaders also posted messages marking the occasion. Union Ministers Amit Shah, Rajnath Singh, Nirmala Sitharaman, S. Jaishankar and Piyush Goyal were among those who greeted Modi.

The messages came as Modi celebrated his 76th birthday on Thursday. Leaders from across the political spectrum used social media to convey their greetings, with several wishing him

good health, longevity and continued public service.

Uttar Pradesh Chief Minister Yogi Aditya Nath, BJP president J.P. Nadda and Maharashtra Chief Minister Devendra Fadnis were among other prominent leaders who conveyed their wishes.

Tracing the evolutionary journey of Semicon India since its inception in 2022, the Prime Minister mapped the progression from initial policy discussions to project planning, pilot lines, and finally, the commencement of commercial production. He celebrated the realization of these efforts with chips now reaching global customers, alongside the launch of commercial production in two new plants in Mohali and Surat.

PRIME MINISTER SHRI NARENDRA MODI INAUGURATES SEMICON INDIA 2026

Chennai, 18 Sep 2026: Prime Minister Shri Narendra Modi today inaugurated SEMICON India 2026 in New Delhi. Addressing the occasion and highlighting the significance of the event's fifth edition, the Prime Minister extended warm greetings to all participants. He expressed particular gratitude to the international attendees who had traveled to India to partake in the summit. "I extend a special welcome to the guests who have come to India from abroad," remarked Shri Modi.

Drawing a powerful parallel between the launch of Semicon India and Vishwakarma Diwas, the Prime Minister honored the nation's

centuries-old heritage upgrade by a Japanese Credit Rating Agency as a testament to the nation's soaring economic credibility. "Meaning, on one hand, India's economy is growing, and on the other hand, the world's trust in India is also increasing," observed Shri Modi.

Emphasizing the nation's rapid progress over the past 15 days, the Prime Minister listed major milestones, including discussions on inclusive finance at the Global Fintech Fest, the operationalization of a

3,000-kilometer Dedicated Freight Corridor, and a robust 7.8 percent quarterly GDP growth. He also highlighted the recent sovereign rating

major proof of the nation's economic credibility. "Meaning, on one hand, India's economy is growing, and on the other hand, the world's trust in India is also increasing," observed Shri Modi. Recalling the diplomatic triumph of the recently concluded BRICS Summit hosted by India, the Prime Minister pointed to the unanimous adoption of the New Delhi Declaration as a reflection of international consensus. He underscored that this historic diplomatic achievement validates the global community's unwavering faith in the nation. "This is another major proof of the

world's trust in India," noted Shri Modi. Tracing the evolutionary journey of Semicon India since its inception in 2022, the Prime Minister mapped the progression from initial policy discussions to project planning, pilot lines, and finally, the commencement of commercial production. He celebrated the realization of these efforts with chips now reaching global customers, alongside the launch of commercial production in two new plants in Mohali and Surat. "Now our chips, coming out of India's plants, have started reaching customers in the country and the world," noted Shri Modi.

CITI LAUNCHES EFPI @ CITI, REDUCING FOREIGN PORTFOLIO INVESTORS REGISTRATION TIMELINE TO FIVE BUSINESS DAYS

Chennai, 18 Sep approximately a third of the FPI Assets under Custody in the country, Citi’s Services business in India is well-positioned to address this need at scale and with greater relevance for global investors.

months previously.

Tuhin Kanta Pandey, Chairman of the Securities and Exchange Board of India (SEBI) said, “We appreciate Citi’s initiative to provide faster registration timeline of 5 days for FPIs in India. It aligns with SEBI’s thrust on utilizing technology to facilitate FPIs to access Indian Capital markets

Ooty Bisons is our

ability, including the introduction of the Electronic Measurement Book. All the stages of public procurement and discretion exercised must be qualified with ethical principles, he said.

RELA HOSPITAL AND SMILE TRAIN LAUNCH INDIA'S LARGEST AND MOST COMPREHENSIVE CLEFT CARE REFERENCE CENTRE

Chennai, 18 Sep knowledge sharing. By 2026: Smile Train, the world’s largest cleft-focused organization, today announced the Cleft and Craniofacial Centre, Sree Balaji Medical College Hospital & Dr Rela Medical Centre, Chennai as the Comprehensive Cleft Care Reference Centre (CCRC) strengthening its efforts to advance access to high-quality, multidisciplinary cleft care while building clinical capacity through training, research and knowledge sharing. A commemorative plaque was unveiled by Susannah Schaefer, President & CEO Smile Train and Dr Sreenisha, Chairperson, Sree Balaji Medical College.

A plaque commemorating the CCRC was unveiled by Susannah Schaefer, President and Chief Executive Officer of Smile Train, in the presence of Mamta Carroll, Senior Vice President and Regional Director, Asia, Smile Train, Dr J Srinisha, Chairperson, Sree Balaji Medical College and Hospital, Prof. Mohamed Rela, Chairman, Rela Hospital, and Dr. Syed Altaf Hussain, Director, The Cleft and Craniofacial Centre.

It builds on one of the earliest multidisciplinary cleft care programmes established in association with Smile Train in 2001. The centre has been functioning in the

KIA INDIA INTRODUCES LIFETIME HIGH VOLTAGE BATTERY WARRANTY FOR CARENS CLAVIS EV

Chennai, 18 Sep existing 8-year/2026: Kia India has introduced a Lifetime Battery Warranty to 15 High Voltage (HV) Battery Warranty for the Carens Clavis EV, reinforcing customer confidence and supporting wider adoption of electric mobility. Effective 1 August 2026, the warranty offers 15 years of unlimited-kilometre coverage to the first owner of new Carens Clavis EVs retailed from this date.

“At Kia, our focus has always been on making electric mobility more accessible, dependable and rewarding for our customers. The Lifetime High Voltage Battery Warranty reflects our confidence in the quality and durability of our battery technology and strengthens the long-term value of owning a Kia EV,” said Atul Sood, Senior Vice President, Sales & Marketing, Kia India.

The new warranty

new state-of-the-art facility at Sree Balaji Medical College Hospital and Dr Rela Hospital since 2022, with a highly experienced multidisciplinary team that provides care for children with clefts from birth to the completion of growth and beyond.

Through the CCRC, the clinical services will be complemented by referral, training and research capabilities, enabling the centre to support both patient care and the development of cleft care professionals. It is affiliated with Bharath Institute of Higher Education and Research, which in turn strengthens its role as a referral, research and resource hub for cleft care professionals from India and abroad.

complements Kia more than 20,300 India’s Battery-as-a-Service (BaaS) programme, which helps reduce the upfront cost of EV ownership through separate financing of the vehicle and battery.

Kia also supports Carens Clavis EV customers through K-Charge, accessible via the MyKia app and Kia India website. The platform integrates customer response.

VICE-PRESIDENT C. P. RADHAKRISHNAN PARTICIPATES IN
HYDERABAD LIBERATION DAY CELEBRATIONS IN TELANGANA

Chennai, 18 Sep 2026: Vice-President Union following the events of September 1948 and Operation Polo. He said that Hyderabad Liberation Day is not merely a commemoration of a historic date, but a reminder of the journey of nation-building and the values that continue to bind Bharat together. He said the story of Hyderabad reflects the enormous challenges faced by a young nation in bringing together people who had emerged from different political circumstances. It was a story

of statesmanship, dating hundreds of princely states into one Union. “Sardar Patel Ji laid the steely foundation of a strong, unified Ek Bharat,” Shri C. P. Radhakrishnan said. Drawing a parallel between different phases of India’s nation-building, the Vice-President said: “Gandhi Ji and Netaji Subhash Chandra Bose Ji played a pivotal role in India’s freedom. Prime Minister Narendra Modi Ji is now playing a pivotal role in the making of developed India-Viksit Bharat @2047.”

Recalling Sardar Vallabhbhai Patel’s contribution to national integration, the Vice-President said that as the first Home Minister and Minister for States, Sardar Patel carried an extraordinary responsibility at a time when India was recovering from Partition and simultaneously consolidated. It was a story

MOVIE REVIEW: PARIS CAFE – A BEAUTIFUL BLEND OF LOVE, FAMILY AND LIFE’S EMOTIONAL TRUTHS

Chennai, 18 Sep woven naturally into the narrative.

2026: Paris Cafe is a warm and engaging romantic family drama that brings together love, relationships, emotions and an important social message in a refreshing manner. With three interconnected stories exploring different stages of relationships, the film succeeds in presenting both young love and mature love with sensitivity and honesty.

Making his directorial debut, Saraj Seelan approaches Paris Cafe with a clear visual imagination and a strong understanding of his characters. His interest in sketching and illustration has clearly contributed to the film’s visual treatment, with every character conceived with a distinct personality and appearance. More importantly, the director understands that cinema is not merely about entertainment but can also be an effective medium to communicate meaningful ideas to a wide audience.

The film’s greatest strength lies in its relatability. Instead of presenting relationships in a conventional manner, Paris Cafe looks at the emotional complexities that exist within families and between couples. Love, understanding, differences of opinion, responsibility and emotional conflicts are

Anumol is impressive as Tara, a strong-minded and outspoken woman who is not afraid to express what she believes is right or wrong. Tara stands firmly beside her husband and family, while also having the courage to point out their mistakes. Anumol brings considerable maturity and naturalness to the character, making Tara one of the film’s most engaging personalities.

Her chemistry with Guru Somasundaram gives the mature-love segment considerable depth. Guru, known for his versatility, brings authenticity to his role and complements Anumol effectively. Their relationship adds an emotional dimension to the film and demonstrates that love can continue to evolve through different stages of life.

Paired opposite Nayana Sai, Sai Vicky makes a promising impression in his first film as a lead. He gets an opportunity to explore a different side of his acting abilities and handles the emotional requirements of the character with confidence. His desire to take up strong characters that drive a story forward is evident in his performance.

The young-love

track between Nayana Sai and Sai Vicky provides the film with freshness and energy, while the mature relationship between Anumol and Guru

Somasundaram offers emotional depth. The contrast between the two relationships becomes one of the film’s interesting elements. Paris Cafe effectively reminds us that love may look different at different stages of life, but its emotional importance remains universal.

Paris Cafe succeeds because it keeps its emotional core intact. It is light-hearted when required, romantic when appropriate and emotionally engaging when the story demands it. The three-story structure gives the film variety while allowing audiences to look at relationships from different perspectives.

The film also benefits from its strong emphasis on family values and interpersonal understanding

For Saraj Seelan, Paris Cafe marks a promising beginning as a filmmaker. His ability to visualise characters, combine romance with family emotions and deliver a socially relevant message makes the film an interesting debut.

With its appealing performances, relatable characters, romantic moments, family emotions and meaningful message, Paris Cafe offers audiences an enjoyable and thoughtful cinematic experience.

Verdict: A warm, refreshing and emotionally engaging romantic family drama that beautifully explores love in its different stages while leaving the audience with something meaningful to take home.

HIPHOP TAMIL'S 'MEESAYA MURUKKU 2' TRAILER RECEIVES OVERWHELMING RESPONSE FROM FANS - CROSSES 5 MILLION VIEWS ON YOUTUBE!
