JSW GROUP UNVEILS ‘TERE SANG BHARAT’, AN ANTHEM CELEBRATING TEAM INDIA’S RELENTLESS SPIRIT

Mumbai, 25 Sep athletes and support staff across multiple sporting disciplines.

At the heart of the campaign is ‘Rukna Nahin Hai’, JSW’s belief in the relentless spirit of Indian athletes. Tere Sang Bharat gives this belief a voice through an anthem film featuring 22 athletes from 11 sporting disciplines, bringing together different sporting journeys, backgrounds and ambitions in one powerful expression of support for Team India.

Speaking about the campaign, Sukesh Nayak, Group Chief Creative Officer, Ogilvy India, said:

billion people may be watching from afar, but in that moment, the strength of a billion hearts is with them on the field, telling them one thing: Rukna Nahin Hai.”

Parth Jindal, Founder & Director, JSW Sports, said:

“Sport has the power to bring an entire nation together. When our athletes’ step onto the field wearing the India jersey, they carry the hopes, aspirations and energy of a billion people with them. ‘Rukna Nahin Hai’ is more than a campaign for us at JSW. It is a belief in the relentless spirit of our athletes. ‘Tere Sang

Through JSW Inspire, we are proud to stand alongside Team India as they give every thing for the country at the Asian Games.”

The campaign also brings the JSW Inspire Team India jersey into focus, giving fans an opportunity to be part of Team India’s journey. The jersey reflects the spirit of movement, performance and national representation that sits at the heart of JSW Inspire’s partnership with the IOA.

SAMSUNG CONNECTS GALAXY WATCH WITH INDIA’S DIGITAL HEALTH ECOSYSTEM

Chennai, 25 Sep and Trail Running, delivering personalised insights into users’ health, fitness, sleep and recovery.

The institute also validates wearable software under Indian conditions. During testing, engineers refined auto-cycle detection after identifying false readings caused by auto-rickshaws travelling on bumpy roads, demonstrating how local insights can improve Samsung’s global products.

Beyond wearables, SRI-N has developed India-specific

Samsung Health With user consent, services, including an health records can be shared with Ayushman Bharat Digital Mission compliant providers, (ABDM)-compliant supporting greater health record with Eka control over digital Care, medication health information.

Samsung said its India-based R&D efforts combine global product innovation with local expertise to deliver personalised health insights and support preventive wellness.
