Ampere Brings ‘Bharat Ki Smart Ride’ to Chennai This Festive Season, Expands Retail Presence with New Experience Centre

Chennai, 15 Oct 2026: Ampere is bringing its ‘Bharat Ki Smart Ride’ to consu mers in Chennai as festive season involv ing Navratri and Ayudha Puja starts, with the introduction of the Ampere Nexus EX+ and Magnus GMax with Intellipack, alongside the opening of new Experience Centre - Jain EV World at Konnur High Road. As the festive season brings increased move ment across neighbour hoods, markets and communi ties , Ampere’s growing electric scooter port folio is designed to meet everyday mobility needs with products that combine practicality, techno logy and accessibility.

At the heart of the portfolio is the Ampere Nexus EX+, powered by a new 5 kW motor and backed by multiple national and inter national records demonstrating its performance across challenging terrain. The Magnus GMax brings together every day practicality, connected technology and affordability, while the Magnus Neo focuses on ergonomics and comfortable Chennai riding. The recently launched Ampere Reo Vyb further expands the portfolio for younger riders, including students and college-goers. The Nexus EX+ and Magnus GMax variants come with Intellipack, powered by NxG.io, bringing 30+ intelligent features through the Ampere Connect App, includ ing Cruise Control, Hill Hold Assist, Find My Scooter and Turn-by-Turn Navigation. The portfolio is backed by Next-Gen LFP battery technology and a standard battery warranty of up to five years/75,000 km, offering customers greater confidence in everyday electric mobility.
