“With Signal at 11:30 Releasing on October 30, My Journey to Make My Presence Felt in Tamil Cinema Begins,” Says Actress Pujita Ponnada

Chennai, 15 Oct 2026: Actress Pujita is looking forward to making her presence felt in the Tamil film industry with Signal at 11:30, which is sche duled to hit theatres on October 30, 2026. Featuring Santosh Pratap and Bhavya Trikha alongside Pujita Ponnada, the film is written and directed by Malarvizhi Natesan with music composed by D. Imman. The film is produced by Malar vizhi Natesan and Shivani Subramani under the banner of Alar Studios and features Munishkanth and Jayaprakash in pivotal roles.

“With Signal at 11:30 releasing on October 30, my journey to make my presence felt in the Tamil film industry begins,” says Pujita Ponnada describing the film as an important milestone in her acting career.

From Software Engineering to Cinema

Pujita’s journey into cinema was never part of a carefully planned ambition. Born in Visakhapatnam, Andhra Pradesh, and raised in different cities across India, she grew up in a disciplined household where educa tion was given the highest priority. After pursuing Computer Science Engineering in Chennai, she secured a job as a software engineer in Hyderabad.
