LOK SABHA SPEAKER EMPHASISES THE NEED FOR MUTUAL RESPECT EVEN AMID DIFFERENCES OF OPINION IN A DEMOCRACY

Chennai, 29 Oct message of compassion, equality and

2026: Lok Sabha Speaker Shri Om Birla today emphasised that differences of opinion and perspective are natural in a democracy, but disagreements must always be expressed with mutual respect and dignity. He observed that Sant Kabir's teachings underscore the importance of restraint in speech, ethical conduct and respect for others, even when opinions differ.

He observed that wider dissemination of Sant Kabir's teachings would foster sensitivity, mutual understanding and social harmony.

Recalling Sant Kabir's remarkable contribution to social reforms, Shri Birla said that, at a time when society was divided by caste distinctions, religious differences and social prejudices, Sant Kabir challenged prevailing orthodoxies and worked to break down divisive barriers.

Addressing the Sant Kabir Mahotsav and the foundation stone-laying ceremony of the Kabir Smriti Bhawan at Kabirdham Ashram in Lakhimpur Kheri, Uttar Pradesh, Shri Birla said that Sant Kabir's timeless

composed in the language of the society. Referring to common people, he said that his noble deeds, selfless service and a commitment to the welfare of others leave a lasting impression on society. Shri Birla called upon everyone to draw inspiration from Sant Kabir's teachings, practise restraint in speech, cultivate the habit of self-reflection and work towards bringing about positive change in the lives of others.

Shri Birla further observed that an individual's true legacy is determined not by their position or status, but by their actions and

PM REVIEWS INFRASTRUCTURE PROJECTS WORTH OVER ₹16,000 CRORE ACROSS 31 STATES AND UTS

Chennai, 29 Oct 2026: Prime Minister Shri Narendra Modi chaired the 54th meeting of PRAGATI, the ICT-enabled, multi-modal platform aimed at fostering Pro-Active Governance and Timely Implementation, at Seva Teerth earlier today. The platform brings together the Central and State Governments to address implementation bottlenecks and improve the delivery of projects and welfare schemes.

During the meeting, Prime Minister reviewed infrastructure projects across the Railways, Ekta Malls and Drug Parks covering 31 States/UTs and costing more

than 16 thousand crores. These projects, pivotal to economic growth and public welfare, were reviewed with a focus on timelines, inter-agency coordination, and timely issue resolution. Prime Minister underlined that PM Ekta Malls should provide markets for local products, strengthen the livelihoods of artisans and help them expand their enterprises. He called for linking the malls with tourism and local businesses, noting that increased demand could create employment in rural production, packaging, storage and transportation. He stressed on review of progress regularly by Chief

ensure timely completion of the malls. Reviewing Bulk Drug Parks in Andhra Pradesh, Gujarat and Himachal Pradesh, Prime Minister stressed the need to prioritise domestic production of active pharmaceutical ingredients and essential inputs to strengthen self-reliance.

Prime Minister asked Chief Secretaries to review schemes with District Magistrates every month to address implementation gaps and ensure that benefits reach eligible beneficiaries on time. He emphasised that governance must focus on outcomes over outlays, ensuring that public

expenditure translates into tangible improvements in people’s lives. Referring to the Aspirational Districts and Aspirational Blocks Programmes, he highlighted the role of convergence, regular monitoring and local accountability in accelerating development in underserved areas. He noted that sustained efforts to strengthen governance and improve the delivery of welfare schemes had helped nearly 25 crore people move out of multidimensional poverty.

PINK OCTOBER: MANKIND PHARMA CALLS FOR GREATER AWARENESS AROUND BREAST CANCER, EARLY DETECTION AND TIMELY TREATMENT

Chennai, 29 Oct 2026: Marking Breast Cancer Awareness Month, Mankind Pharma highlighted the importance of breast cancer awareness, early detection and timely treatment through its Pink October campaign. The initiative builds on the company’s #1 Million Lives journey, which aims to make cancer awareness more accessible and encourage individuals to take proactive steps towards their health.

Breast cancer awareness is important in encouraging timely medical consultation and improving understanding of the disease. Potential warning signs may include a lump or thickening in the breast, changes in breast size or shape, skin changes, nipple changes or unusual discharge. While these changes may not

necessarily indicate cancer, they warrant medical evaluation. Clinical examination and mammography, as appropriate to an individual's age and risk profile, can support early detection.

“Cancer awareness must extend beyond healthcare facilities and become an integral part of how people approach their health. Through our #1 Million Lives initiative, we aim to make reliable health information more accessible and encourage proactive healthcare decisions. Pink October reinforces this commitment by highlighting breast health awareness, early detection and timely medical consultation. We believe sustained awareness efforts can empower individuals and families to make informed decisions

about their health,” said Atish Majumdar, Senior President, Mankind Pharma. diagnosed with breast cancer, diagnostic assessments and biomarker testing, including HER2 testing where indicated, help guide treatment decisions. Greater awareness can encourage timely evaluation and help patients access appropriate care,” said Dr. Mohamed Zehran, Senior Consultant, Medical Oncologist, Apollo Cancer Centre Chennai. Launched in June 2026, Mankind Pharma’s #1 Million Lives initiative has included the training of over 500 health workers, while 285 doctors pledged to help protect 1 million families in July.

Early diagnosis also helps doctors determine an appropriate course of treatment. Diagnostic evaluation and tumour profiling help identify the characteristics of breast cancer and guide treatment decisions. HER2 testing, where indicated, helps determine the HER2 status of a tumour and informs decisions regarding appropriate targeted therapies.

“Recognising unusual changes in the breast and seeking medical advice without delay are important steps towards timely diagnosis. Screening recommendations depend on factors such as age and individual risk, making consultation with a qualified healthcare professional

Through Pink October, the company continues to strengthen its focus on preventive oncology and encourage greater awareness of early detection and timely care.

DRI BUSTS WILDLIFE SMUGGLING RACKET AT TRICHY AIRPORT; 45 LIVE REPTILES RECOVERED; 2 ARRESTED

Chennai, 29 Oct 2026: The Directorate of Revenue Intelligence (DRI), in a coordinated operation with the Air Intelligence Unit (AIU), Trichy, has foiled an attempt to smuggle 45 live reptiles into India through Trichy International Airport. Acting on specific intelligence, officers of DRI intercepted two Indian passengers arriving from Bangkok via Colombo on 26

October 2026. A systematic examination of their baggage led to the recovery of live wildlife concealed in 27 food packets, with the animals found in a sedated condition. The recovered reptiles comprised 23 Corn Snakes, 16 Ball Pythons, 5 Argentine Black and White Tegus

and 1 Snow White Iguana. The reptiles were seized, and the two passengers were arrested by AIU, Trichy, under the provisions of the Customs Act, 1962. The wildlife was recovered during the examination of the passengers’ baggage and handed over to AIU, Trichy, for further necessary action.

This successful interception underscores DRI’s commitment to combating wildlife trafficking through intelligence-led enforcement and close coordination with Customs authorities to prevent the illegal movement of wildlife into the country.
