People's Film Academy and Channel Five have joined hands to bring this iconic film "SHANKARABHARANAM" back to theatres

CHENNAI – 15 Nov, 2026 in a Spectacular New Technical Format! One of the most celebrated musical classics in the history of Indian cinema, ‘Shankarabharanam’ is all set to return to theatres this November. The film is being re-released worldwide in Malayalam and Tamil with enhanced 4K Ultra HD visual clarity and 7.1 Surround Sound. The new digital version has been prepared by Sreelal Devaraj. Directed by K. Viswanath and released in 1980, ‘Shankarabharanam’ beautifully portrays the greatness of Indian classical music, the life of an artist, and the depth of human relationships. The film features J. V. Somayajulu, Manju Bhargavi, Rajyalakshmi, Tulasi, Chandramohan and others in prominent roles. Even today, it remains an unforgettable cinematic experience in the hearts of music lovers. The timeless music composed by K. V. Mahadevan and the mesmerizing vocals of S. P. Balasubrahmanyam made the songs of this film truly immortal. The iconic song ‘Shankara… Naada Shareera Para’ remains one of the most cherished musical masterpieces, continuing to captivate audiences across generations. The film's other memorable musical moments, too, continue to live on in the hearts of music lovers. Celebrating the rich heritage and values of Indian classical music, the film received significant recognition at the national level. It won the National Film Award for Best Popular Film Providing Wholesome Entertainment. In 1980, ‘Shankarabharanam’ received the Gold Medal from the then President of India, Neelam Sanjiva Reddy. The film also holds the rare distinction of being screened at Rashtrapati Bhavan. These prestigious honours further underline its historic significance in Indian cinema. With its new digital version, audiences will get an opportunity to experience the film's enhanced audio-visual brilliance on the big screen. In particular, experiencing the evergreen voice of S. P. Balasubrahmanyam in 7.1 Surround Sound promises to be a special treat for music lovers. The re-release will offer the older generation a wonderful opportunity to relive their nostalgic memories, while introducing younger audiences to the timeless magic of this classical masterpiece on the big screen.
