Pakistani Minister to visit India for the first time in three years, as SCO meets

CHENNAI – 15 Nov, 2026 Pakistan's Climate Minister Musadik Masood Malik will represent the country at the Shanghai Cooperation Organisation (SCO) Civilizational Dialogue to be held in New Delhi from November 20-22, 2026, the country's Foreign Ministry said in a statement. This marks the first visit by a Pakistani minister to India in more than three years.

"The Government of Pakistan remains committed to promoting dialogue among civilisations and fostering people-to-people contacts within the SCO framework in a spirit of mutual," reads the statement.

The last such high-level visit to India was by then Foreign Minister Bilawal Bhutto Zardari, who travelled to Goa in May 2023 for a meeting of SCO Foreign Ministers.

The SCO is a political and security union of countries spanning much of Eurasia, including China and Russia. The regional bloc has 10 current members, according to its website.
